

Atty. Docket No. 1445.003
USSN: 10/048,191
PATENT

Remarks

The foregoing amendments are being made to correct typographical errors introduced via the Examiner's Amendment. In particular, applicants have inserted hyphens that were inadvertently dropped by the Examiner and have changed el to "e1." The substance of the claims remains the same. Accordingly, entry of the amendments is respectfully requested.

Respectfully submitted,
